

## Tender text

Decentralised ventilation system  
High-efficiency decentralised ventilation unit  
with heat recovery (regenerator)

Brand:	Südwind
Model:	Ambientika
Maximum heat recovery:	91,8 %
Average electrical power consumption:	6,7 W
G3 filter and EC reversing motor	
Fan diameter:	ø 160 mm
Air flow rate per fan position:	Night/1/2/3 – 10/20.6/40.9/61.3 m <sup>3</sup> /h
Including remote control and wall bracket	
PP pipe dimensions: (ØxL):	160x500 (changeable) mm
Dimensions of inside cover (LxHxD):	233x250x42 mm
Ventilation pipe inclination:	1°- 2° in outward direction
Motorised front flap	

TÜV SÜD certified test report no.: WRG 756-REV.1 DIBt
